

Dear Parents and carers,

Open afternoon

We are happy to be opening our classroom doors to parents and carers on Monday afternoon (10th October), 2pm-3:15pm. This is an opportunity for adults to share in a classroom activity with your child, look at their books and look around school if you wish. Each class will also be singing their harvest song for you. Please be reminded that for safeguarding reasons, the use of mobile phones in the school building is strictly prohibited. We also ask that pushchairs are not brought into the school building as there simply isn't enough room. If you need to bring a pushchair to school, please leave it under the shelter of the bike racks. Our wonderful office team will politely remind you of this on arrival so please don't be offended!

PTA Cake sale

Once you have enjoyed our open afternoon, please head to the main hall where our marvellous PTA will be selling cakes to raise funds.

Digital Leaders

The Digital Leaders are back, and they're now in Year 6! Digital Leaders are children from Year 6 with a passion for computing, technology and sharing knowledge. Digital Leaders take on, or develop, leadership roles and support the use of technology across the school. Our digital leaders will help younger children access software and apps that they have become experts with and will help promote and embed the use of technology across the curriculum. They loved introducing Seesaw to EYFS at the end of last year to prepare them for Year 1. They are beginning the year creating 'how to' videos to support the children in Year 5 to create their own mythical land through an augmented reality app. They are also good role models who promote online safety showing how they use technology safely, responsibly and respectfully.

Parent consultations

You will receive further information about how to sign up for a parent consultation slot on Monday. We will continue to use 'School Cloud' to hold these virtually. It is so important for teachers to share information with you about how your child has started this new academic year, so please do make sure you sign up.

Harvest

We are looking forward to celebrating Harvest with your children in School on Monday 10th October. If you can donate any food to our community kitchen, please send it in with your child on Monday. We hope to have lots of food, so will aim to open our community kitchen every day next week!

Mrs McMurray & the Jeavons Wood Team

Jeavons Wood Values

Awards

Ladybirds-Isla B for showing great responsibility for keeping our classroom safe and tidy.

Butterflies-Dayton A, for having the courage to give everything a go!

Robins-Peter B, thank you for lighting up the classroom every day with your enthusiasm, joy and kindness to all.

Hedgehogs-Ellis F for always showing love and kindness towards everyone in his class.

Rabbits-Isabelle A for showing courage to challenge herself with her learning. What an amazing piece of writing she produced.
