

Dear Parents and Carers,

Parent consultations

Thank you for attending parent consultations this week. The feedback has been so positive from staff and parents. The impact on a child's education when school and parents work together is huge, so thank you for all your support with homework, reading, spellings, times tables rock stars and everything else you do to support at home. It is so valuable!

Visit from Michigan State University

On Wednesday this week, we had a visit from a group of teachers from America, from Michigan State University who are interested in how our Trust works and our education system. They were so positive about their visit, which included a tour of the school and talking to staff. They said our school "is full of awesomeness" and "it was evident how passionate and committed staff are." We totally agree with them!

Suitable clothing for forest and wet weather

Please make sure that all children who have a weekly forest session (FS-Y4) have a pair of wellies to keep at school. We go outside regardless of the weather and children do get wet & muddy. Similarly, if it is wet, only children with wellies will be allowed on the field at playtimes when the weather worsens this winter. Y5 and Y6 should also bring in wellies for this reason.

Headlice

Unfortunately, we have a high number of cases of headlice across school. Please check your child's hair & treat over half term if needed, to hopefully break the cycle.

Girls football

Some Y6 girls represented Jeavons Wood at a tournament in Histon on Wednesday, competing against over 25 teams from all over South Cambridgeshire. They played brilliantly and finished in the top 10. Well done girls!

We hope you have a lovely half term, and we welcome the children back on Tuesday 1st November as Monday 31st October is a staff training day.
