## Parent Questionnaire

We would like you to invite you to complete our online parent questionnaire. Although you can complete this anonymously, if we are to act on your feedback in our endeavours to improve, it is helpful to put your name to your response. That way, we can follow up directly with specific concerns and suggestions. The link to complete this is:

Thank you so much in advance.

## Odd Socks for Anti-Bullying Week

Next week is anti bullying week. We would like to invite your child to wear odd socks on **Monday** if they wish to participate. The more odd the sock the better!

## Remembrance Poppies

The children have been working on making some poppies for Remembrance Day. These are now hung up outside the school tied to lamposts and the fences. Thank you for contributing empty bottles which have been recycled into beautiful poppies!

## Art News

We're delighted to share that our school has entered the ASHYAC Art Competition, a wonderful opportunity to celebrate the creativity of our children and showcase their artistic talents within both our local and wider community.

In previous years, we've proudly had two winners from Year 6, and this year we're aiming even higher: every year group has been entered! We'd love to see even more pupils getting involved and expressing their creativity.

Thank you for your continued support in encouraging our young artists. We can't wait to see what they produce!

## Pre-School Open Afternoon

We would love to welcome prospective families to our Open Afternoon on **Thursday 27th November** between **1 - 2pm**. Come and see our happy and exciting setting, meet our warm and experienced staff and see our amazing children in action!

Please email the School Office to let us know you will be coming!

We look forward to seeing you there!

## Safeguarding

If you are a parent of a child who enjoys sporting activities there is some useful information in the link: [Info for sports parents to help keep children safe | CPSU](#)

## The Parents Lottery

Supporting Jeavons Wood Primary School has never been easier or more rewarding, thanks to The Parents Lottery. This simple, fun initiative supports our school while giving you the chance to win some great prizes. Tickets cost £1 each, giving you the chance to win £25,000 (for matching all six digits) plus other weekly prizes: £1,000 for five digits, £25 for four, and £5 for three digits. 60% of every £1 ticket sale goes directly to our PTA which helps us to fund activities and resources for the children.

The draw takes place each week on a Friday (or the next working day if Friday is a public holiday), and your ticket is entered into the first draw in the following month after payment has been processed.

By taking part, you'll be helping to build a consistent, reliable income stream for our school — and at the same time be in with a shot at winning a major prize.
