Parking Outside School

Please be aware of adhering to parking rules when dropping your children at school. The roads outside school are now subject to random checks from the local law enforcement and if you are parked on the double yellow lines outside school you are at risk of receiving a fine.

We have also received calls from local residents complaining of the way Jeavons Wood parents have parked on the roads around school. Please be considerate and law-abiding in your parking.

Christmas Jumper Day

On Thursday 11th December we are inviting children to come to school wearing a Christmas jumper as a fundraiser for Save the Children. We are asking parents to organise online payments as we are a cashless school we ask that payments are made using the following link:

Safeguarding

If you are a parent of a child who enjoys sporting activities there is some useful information in the link: [Info for sports parents to help keep children safe | CPSU](#)

The Parents Lottery

Supporting Jeavons Wood Primary School has never been easier or more rewarding, thanks to The Parents Lottery. This simple, fun initiative supports our school while giving you the chance to win some great prizes. Tickets cost £1 each, giving you the chance to win £25,000 (for matching all six digits) plus other weekly prizes: £1,000 for five digits, £25 for four, and £5 for three digits. 60% of every £1 ticket sale goes directly to our PTA which helps us to fund activities and resources for the children.

The draw takes place each week on a Friday (or the next working day if Friday is a public holiday), and your ticket is entered into the first draw in the following month after payment has been processed.

By taking part, you'll be helping to build a consistent, reliable income stream for our school — and at the same time be in with a shot at winning a major prize.

Urgent need for Second Hand Uniform Volunteers

We're in real need of some extra helpers with the second-hand branded uniform. There's 2 elements to it and help is required with both:

1. Collecting and sorting branded donations

This involves collecting the donations from the school foyer, checking them over for quality, giving them a quick wash if required and then sorting into size/type. Uniform is then delivered back, ready to be listed on the shop.

This can have several helpers, the more the merrier as it can spread the load.

2. Managing the second hand uniform shop

The wonderful Francesca is stepping back from this at the end of this year, so we need someone to add the newly sorted stock to the second hand uniform website.

You would receive the prepared uniform, then update the numbers of items available on the website. As orders come in, they are then collated and delivered to the school foyer.

We use an app, with all the items already listed so it's just updating the number or marking an order as ready to trigger an automated email.

This is currently done by one person, but we could have more supporting.

Whilst the shop management does take a more regular check in once a week, both can be done in your own time to suit your schedule.

If you're able to help or want to find out more please email to jeavonswoodpta@gmail.com
