

Dear Parents and carers,

It has been another great week at Jeavons Wood and we have lots to celebrate.

### **Congratulations**

We are very proud of Anjie whose team won the First Lego League Challenge, 2022-2023 Cambridge SUPERPOWERED Season. Anjie and his team members were interviewed by BBC and ITV and were on the evening news.

### **Public Speaking Competition**

A huge well done and congratulations to John, Sienna, Noah and Eliza who did a fantastic job in representing our school at the CB23 Public Speaking competition! The children had to each perform a speech to a packed lecture theatre at Peterhouse College, Cambridge, and were all clear, loud and engaging! We were a very lucky audience and felt so proud of their achievement!

### **Great Fire of London**

Year two were visited by a firefighter who showed us how the fire spread during the GFoL by burning our houses. What a great experience!

### **Smart Watches**

Please be aware that we do not allow children to wear smart watches that can record audio or image in school as this goes against our IT Acceptable Use Pupil Policy, which can be found on our website. If your child has a smart watch please make sure they do not bring it into school.

## Attendance Award

Our school has won an FFT National Attendance Award! The awards have been given to schools with attendance in the Top 25% of all FFT schools nationally for the 2022 Autumn term.

## Return to Base

We had our 'return to base' practise on Thursday and I am very pleased to say the children were fantastic. They responded sensibly and calmly and returned to their classrooms swiftly. Well done everyone!

## Online Safety Workshop

It was great to see some of you at the virtual online safety workshop this week. There was lots of positive top tips to talk about the online world with your child. So helpful! Details for the next workshop is below:
