Netball Winners!

Congratulations to the Year 6 children who won the A Team Plate Netball Finals on Wednesday at Northstowe Secondary School. Out of eight games, they won six, drew one, lost one and scored a total of 19 goals. In what was a very warm afternoon, the children did incredibly well and worked significantly well together as a team.

A huge thank you must go to Milly and Molly, Year 11 Sports Leaders from CamVC, who have been running the year 6 Netball Club on Friday mornings. The children have loved the opportunity of playing regular netball.

Yr 5 Coding Club

The Year 5 Coding Club students completed the 'Mission Zero' competition in Spring Term, and we are thrilled to announce that all of the students will have their programs run onboard the International Space Station! As a special keepsake, certificates will be sent to the school, featuring the student's name and the exact time their code was executed in space. Additionally, there is a video available that we will share once it's available. A huge thank you to our Coding Club parent volunteer, Ms Philbin for encouraging the students to achieve this.

Crazy Hair Day 2025

Our amazing teachers and support staff love joining in with Crazy Hair Day! We especially loved Mrs Beardall's caterpillars for her Caterpillars class, and Miss Matthews' The Little Mermaid themed hair!
