## ACES Update

'We are very excited to share the news that the Department for Education has approved plans for schools in the ACES Academies Trust to join the CAM Academy Trust family. We expect this to happen sometime early in 2026.

There will be no changes to the way our own schools are run, as a result of this proposal, but we are excited about the additional opportunities for partnership this move will bring.

## Goodbye Mrs Rogers

We are sad to say goodbye to our wonderful Squirrels teacher Mrs Rogers. She has been a dedicated member of staff here at Jeavons Wood for 8 years. She will be leaving us at the end of the summer term.

We wish her well on her next adventure and will miss her very much!

## Transition Day

We had a wonderful Transition Day today where the children went up to their classes for next year and met their new teachers. There have been lots of crafts and activities and the teachers have loved meeting their new classes!

## Cricket Competition

Well done to the Year 6s who took part in The Cambourne Cricket Inter Primary Competition on the 20th June. They played three games against The Vine Inter-Church Primary School during the afternoon, winning one game and losing two. The last game was very tense, with The Vine ending up as winners by just 10 runs! It was a fantastic afternoon and all the children should feel really proud of how well they did.

## Hayfever Season

Now that we are in hayfever season if your child suffers from hayfever, or has seasonal allergies, please can you make sure you give your child Piriton, or their regular hayfever medication before school.

## Safeguarding

If you would like some help or advice in taking care of your mental health as a parent you can find more information on the NSPCC website:
