

<p><b>When should my child self-isolate or miss school?</b></p> 	 <b>NO</b>	<ul style="list-style-type: none"> <li>• All children <b>MUST</b> attend school unless they are ill.</li> <li>• From 16<sup>th</sup> August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid.</li> <li>• Instead, they will need to book a PRC test. They can attend school if the test is negative. If the test is positive they will then isolate for 10days.</li> </ul>
	 <b>YES</b>	<ul style="list-style-type: none"> <li>• If your child develops Covid symptoms at home, they should <u>stay at home</u> and should book a PCR test, <b>NOT</b> a Lateral Flow test.</li> <li>• If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test.</li> <li>• If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.</li> </ul>

Community Covid Risk:	Description:	Actions:
 <p><b>Low Community Transmission. No School Cases.</b></p>	<ul style="list-style-type: none"> <li>• There have been no cases of Covid within school for 10 school days.</li> <li>• Cases of Covid locally are low and/ or stable.</li> <li>• Hospitalisation/deaths due to Covid nationally are low.</li> </ul>	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> <li>• Reminding children of good hand-hygiene.</li> <li>• Ensuring good ventilation encouraged where practical.</li> <li>• Ensuring children / staff to stay at home if they have Covid symptoms (and to book a PCR test).</li> <li>• Informing parents/carers of procedures</li> </ul> <p>Staff will continue to test themselves twice-weekly using lateral flow tests until the end of September.</p>
 <p><b>Rapidly Rising Community Transmission</b></p>	<ul style="list-style-type: none"> <li>• No current Covid cases have been recorded at school, but...</li> <li>• Cases of Covid are rising rapidly in the community causing disruption to other local schools.</li> <li>• Positive cases in families.</li> <li>• Cambridgeshire Public Health / Public Health</li> </ul>	<ul style="list-style-type: none"> <li>• Ventilation of classrooms increased &amp; hand-washing supervised.</li> <li>• Large indoor public performances move to virtual</li> <li>• Parental contact outside or virtual</li> <li>• Staff-room capacity is reduced.</li> <li>• Staff training virtual where possible</li> <li>• Whole-school assemblies will take place online or outside</li> <li>• Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment &amp; discuss additional protection</li> </ul>

England issue warnings of expected local/national infection wave

(e.g. use of face coverings, reduction in movement between classes/ groups).

**Number of Cases:**

**Description:**

**Actions:**

**A single child tests Positive in a class**

- A single child tests positive for Covid in a class.
- There are fewer than 5 cases in the class
- Any cases are isolated in different classes with no links.

- The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it on seesaw.
- The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts.
- Likely contacts will be contacted by NHS Track & Trace and advised to book a PCR Test. The school will contact parents to advise that there has been a positive case in their child's class.

**5 children or staff positive within 10 days of each other who have been in contact. 7 cases across the school.**

- There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within school.
- There have been more than 7 cases across the school.

- **As above for each positive case.**
- The school will discuss the outbreak with Cambridgeshire Public Health and agree strengthening protective measures for 10 school days, including:
  - Re-introducing staff face masks for corridors & communal areas.
  - Adapting, limiting or postponing indoor sporting events, trips, open days and performances.
  - Reintroduce class bubbles in school.
  - Reducing the amount of classes staff work across.
  - Resuming twice-weekly staff lateral flow testing if it has stopped.

**Covid cases continue to increase rapidly within a 10 day period.**

- Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.

- Incident Management Team meeting held between the school and Cambridgeshire Public Health to agree further measures, for a further 10 school days, including:
  - Re-introducing class bubbles.
  - Reverting to eating in classes.
  - Limiting all non-essential visitors to school.
  - Postponing all non-essential events.
  - **Re-introducing remote learning for individual classes for 10 school days considered.**

The school will inform parents of any changes to Covid measures should these be needed.
