

Knowledge Organiser for Year 1 Autumn 1

Big question: How does my iPad help me learn in Year 1?

British Values Link: Rule of Law

(Knowing and following the rules, being fair and keeping everyone safe)

National curriculum specification (KS1)

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

In this unit, the children will:

Learn to be safe and sensible with the school iPads.

KS1 AUP	 <p>The poster is titled 'KS1 AUP I promise...' and features a central tablet displaying eight rules for iPad use in school. The rules are:</p> <ol style="list-style-type: none"> 1. I will use my iPad safely and responsibly to help me with my learning. 2. I will keep my usernames, passwords and QR codes safe. 3. I will not give out personal details about myself, my family or my friends. 4. I will take sensible images, with permission, for school projects only. 5. I will respond kindly on Seesaw. 6. I will not plagiarise. 7. I will not believe everything I read online and will learn ways to fact check. 8. I will talk to my teacher if anything makes me uncomfortable or upset. <p>Below the tablet, the text 'TICK TO AGREE' is written. There are three checkboxes, each followed by a statement:</p> <ul style="list-style-type: none"> <input type="checkbox"/> I promise to follow these rules when using my iPad in school. <input type="checkbox"/> I promise to ask a teacher if I have any questions about these rules. <input type="checkbox"/> I understand that there will be consequences if I do not follow these rules in school.
