

Knowledge Organiser for Year 1 Autumn 2

Big question: How do I share my learning through film?

British Values Link: Individual Liberty

(Respecting other people and their choices, being free to choose and being responsible)

National curriculum specification (KS1)

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

In this unit, the children will:

Learn how to use the 'Clips' app to create a film.

Learn how to design a film.

Learn how to build a film.

Learn how to re-draft to improve a film.

Learn how to evaluate a film.

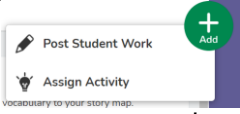

Learn to share a film to Seesaw to share with an audience.

Key vocabulary:

Clips	A video editing app that you can use to easily combine videos, photos, titles and music into videos to share.
