Teacher Subject Knowledge:

KS2 AUP

The graphic features a central tablet displaying a list of eight rules for responsible iPad use. The background is a light blue sky with a white cloud containing the title 'KS2 AUP I promise...'. Below the tablet, the text 'TICK TO AGREE' is written in a bold, sans-serif font. Underneath this, there are three white circles, each followed by a line of text. The background also includes stylized green trees and a green hill.

KS2 AUP
I promise...

1. I will use my iPad safely and responsibly to help me with my learning. My teacher will monitor this on Apple Classroom too.
2. I will keep my usernames and passwords safe and secure.
3. I will not give out my personal details online that could identify myself, my family or my friends.
4. I will take sensible images for school projects only and ensure I have the subject's permission before sharing (e.g. to Seesaw).
5. I will communicate kindly and carefully online using appropriate, respectful language.
6. I will not plagiarise.
7. I will fact check information I find online.
8. I will report and talk to a trusted adult if anything makes me or my friends uncomfortable or upset.

TICK TO AGREE

- I promise to follow these rules when using my iPad in school.
- I promise to ask a teacher if I have any concerns about these rules.
- I understand that there will be consequences if I do not follow these rules, or in any way behave unkindly or inappropriately with technology relating to school.
