

Knowledge Organiser for Year 4

Big question: How does my iPad help me learn in Year 4?

KS2 National curriculum specification

- Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.
- Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.

In this unit, the children will:

Learn to become digitally literate.

Develop their iPad skills: screenshot, screen record, safari reader, photo editing, mark-up, resize.

Fact check information found online.

Deepen learning in KS2 writing app: pages.

Deepen learning in KS2 film app: iMovie.

Deepen learning in KS2 web browser: Netsweeper.

Key vocabulary:

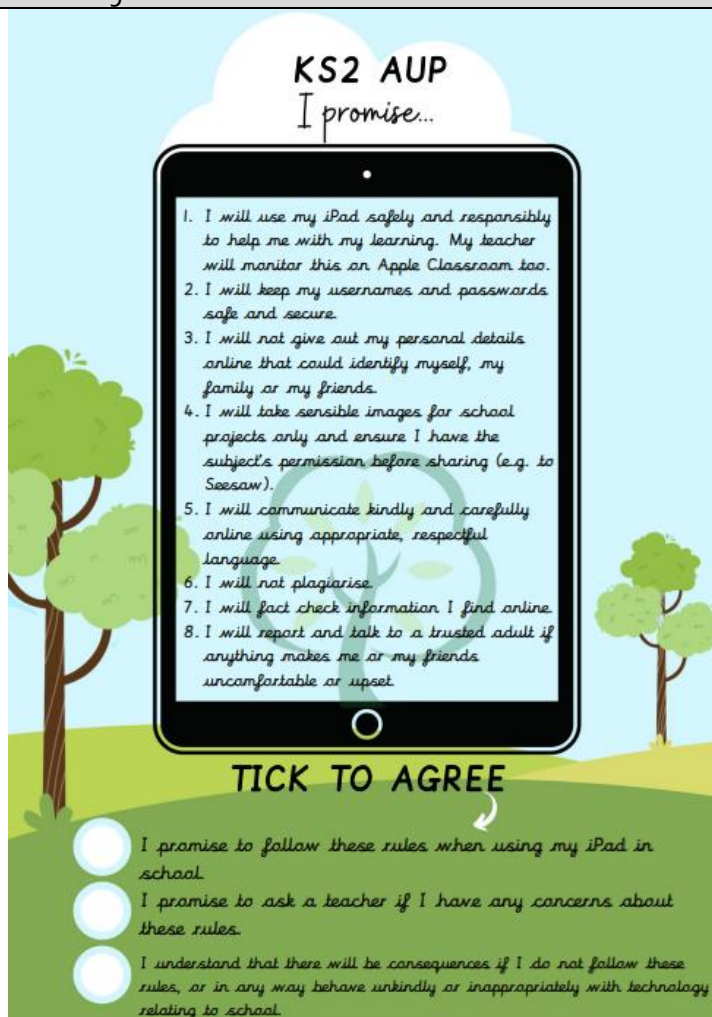

Digitally literate	A confident, creative, careful user of a device.
Plagiarise	Copy and claim as your own.
Photo editing vocabulary	Edit, re-size, mark-up.
Screenshot	Taking an image of your devices screen.
Screen record	Live recording the devices screen.
Split screen	More than one screen on the device at a time.
Popplet	 Mind-map app
iMovie	Film editing app
Netsweeper	Web browser.

Pages

Word processor. Allows for collaboration with other apple devices too.

Teacher Subject Knowledge:

KS2 AUP
